**Description:** Are you still dreaming of that perfect lover, who remains just that- a dream ? The seductive Art of Astrology shows you how by using Astrological sun signs, those dreams of love can become reality. A Questionnaire reveals what you are really looking for in a partner and in which element ( Fire, Earth, Air, Water ) he or she is to be found. You can then select which of the three signs within that element appeals to you most. An analysis of your own sun sign indicates how your sign reacts with the rest of the zodiac in matters of love. Then follows advice on how to hunt for and capture -that elusive dream lover. The more you understand his or her characteristics, the easier it will be to seduce him. Seduction should be fun and Astrological seduction adds a whole new dimension to the game of love.
