His home is in the middle of Boggart called the Hall Knocker, which was laid to rest under the step of a house near the church. Believe it or not, the Haunted house in The Spooks Apprentice is based on fact! As a child, Joseph lived in a similar house in Preston where he had a recurrent nightmare. In the dream he'd be sitting on a carpet in the front room whilst his mother was knitting. Then everything would become cold and a shadow thing would come up from the coal cellar, pick him up and carry him back towards the dark. What's even more spooky, his brothers had the same nightmare! The house has now been pulled down so he can never go back. £3.00 postage and packing.
